Five civilians killed, ten injured by SAC airstrikes and drone bombing in Nawngkhio township

Between March 21 and April 1, 2025, SAC airstrikes and drone bombs killed five civilians and injured ten others, damaging dozens of houses in areas of Nawngkhio township controlled by the Ta'ang National Liberation Army (TNLA). Many of the SAC attacks took place after the catastrophic earthquake on March 28, showing clearly that the regime's priority during this national crisis is not to save lives but to remain in power at all costs.
